AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

May 16, 2001

Dear Sir:

In response to the Office Action dated April 29, 1999, the period for response having been extended one (1) month to May 16, 2001, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE SPECIFICATION:

Please replace the paragraph beginning on page 8, line 19 and continuing through page 9, line 16, with the following rewritten paragraph:

The audio signal processing part 70 includes a CPU 71 for separating

audio data and time data from the signal received from the second demodulator
